Community radio station WEFT 90.1 FM is releasing WEFT Sessions 2002, a double-disc compilation of on-air performances by local musicians. The WEFT comp will be available in February, featuring 32 bands.

WEFT has been airing live music from local bands since it hit the airwaves in 1981. WEFT Sessions, one of the longest-running shows on WEFT, broadcasts live local music every Monday night at 10pm.

Thanks to the show's sound engineer Mike Feldman, who began recording the shows for the bands and for WEFT's library, WEFT's first-ever compilation was created.

WEFT Sessions 2002 was hosted by Lori Serb, Ralph Roether, and Holly Rushakoff. Sound crew was Mike Feldman (engineer) and Jeff Bertolet. This comp was mastered by Brett Sanderson at Second Story, Champaign, IL. The CD cover was designed by Ralph Roether, the rest by Holly Rushakoff. Record Service and Dixon Graphics also helped make this comp possible. Thanks to the bands for donating a song, with proceeds benefitting WEFT.

The 2002 WEFT Sessions two CD Compilation is available for \$12 plus \$2 shipping and handling by downloading and mailing this order form or online at [www.weft.org/comp/](http://www.weft.org/comp/)

You can also buy your CD in person (no S&H charges!) at our release show and other fine WEFT events while supplies last. Please do not come down to the station to buy your disk!
